A Book For Summer Stevenson

Good morning, Summer!  
It's wake-up time.

We're going to a very  
special museum today. It  
has paintings we can go  
inside!

Let's go inside this  
picture. I'll bring a hat.

There are too many bugs  
here! Let's go back!

No bugs here, but watch  
out for the bears!

Brrr! It's freezing here.  
Let's go back!

We can warm up here!  
Maybe ride a camel?

I'm thirsty and this  
camel is stinky!

This one has lots of  
water to drink!

It's kind of a boring lake.  
Let's go someplace fun!

A cloud city with  
rainbows.. That looks fun!

The clouds are nice, but I  
want to go even higher!

Get your spacesuit,  
we're going up!

Yikes! It's late! Let's find  
a cozy place for bedtime.

This one looks crazy cozy!  
Grab your pillow...

One last hug before bed.  
Good night, Summer!
